

## ESL (English as a Second Language) Collection

Avon Free Public Library

The Avon Public Library's ESL collection includes books, audio cassettes, CDs, and DVDs to support learners of English , as well as teachers of English as a second language. These resources range from speaking English for everyday situations to intermediate grammar, writing and pronunciation.

In addition to the ESL resources listed below, our "World on a Book Truck" features foreign-language books and films in Japanese, Korean, Russian and Spanish. The collection is split in four parts that rotate among local Farmington Valley libraries. Our World on a Book Truck is located on the left of the adult reference desks, near the audio books, on the first floor of the library. If you, a friend or a family member are interested in this collection, just ask a reference librarian for help.
